PROFESSIONAL EXPERIENCE

INTERN | 03/2024 to Current

Gandhi Institute Of Technology And Management - India (Bengaluru)

- Designed and executed upskilling programs for students, including hackathons, workshops, motivational talks, and alumni-led training sessions.
- Developed hands-on learning opportunities, bridging the gap between theory and practical application.
- Coordinated pre-interview rounds, equipping students with essential interview skills and boosting their confidence.
- Facilitated industry interaction by inviting HR professionals from various companies to conduct upskilling sessions, aligning student skillsets with current job market demands.

INTERN | 06/2023 to 07/2023

INTERNSHIP STUDIO - Remote

- **Creating and managing IAM users:** I established IAM users, assigned them secure passwords, and grouped them based on specific permissions aligned with company privacy policies. This ensured users only had access to the AWS resources required for their tasks.
- **Maintaining a secure and compliant environment:** I actively participated in maintaining a secure AWS environment by following best practices and adhering to company security protocols.
